TO WHOM IT MAY CONCERN

This will advise that Passaglia concrete Restoration and Repair Ltd completed a major Restoration project for Scott Construction Management Ltd at the Sauder School of Business, UBC Campus, during the Summer/Fall 2011.

Passaglia performed their duties well, provided sufficient and capable Tradesmen, achieved the required quality and completed within the very tight schedule. Furthermore Passaglia performed additional work at fair pricing.

We would not hesitate to contract future work to Passaglia and look forward to working with them in future.
